

LEOcoin³

“Holder’s Reward” Guide

1. Introduction

The LEOcoin Holder’s Reward is a new rewarding mechanism for all the LEOcoin token holders. You may learn more about it and register here: <https://reward.leocoin.org>. This page allows the user to register his LEOcoin token address to participate in the “LEOcoin Holder’s Reward” (LHR) and also to stay updated about its transactions and rewards. The page may be used to register multiple LEOcoin token addresses.

You should not use this website if you do not accept its terms & conditions in full, available on the top menu.

2. “Holder’s Reward” Information and How to Use it

You should always check that the address information you provide (Your LEOcoin token address) is correct and belongs to you before registering for the LHR.

Always make sure you have full ownership of the address you are registering for the LHR and that it is from an Ethereum wallet capable of supporting the new LEOcoin token.

Never register an address that belongs to an exchange or to a wallet you do not control in full, meaning you own the Ethereum wallet that holds the address(es) registered and you have access to their private keys.

You may check the progress of your rewards, as they appear using your unique Status URL, at any time. Make sure you inform LEOcoin support for any issues regarding your rewards within three (3) working days after the LHR is updated, at the start of each month, usually the 1st of the month.

The LHR is paid out once a month to all the eligible addresses that have been registered at least one (1) working day before the last day of each month. It is possible that this might change in the future.

“Eligible” is any LEOcoin token address that holds a monthly average of at least 1,000 LEOcoin Tokens on the 1st of each month, counting back all the days of the previous month.

There is no way for a registered address to stop receiving LHR if the system finds it eligible for it. The only way for an address not to receive LHR is if the monthly average of all the days in the previous month is below the minimum amount required for LHR, as per the **Table of Rewards and Requirements for LHR**. Of course, you may transfer all the LEOcoin tokens out of a registered address, at any time.

The LHR payments follow the standard compound interest formulae. The estimated annual LHR with examples is explained in the **Table of Rewards and Requirements for LHR**.

There is no need for any Ethereum wallet that holds your LEOcoin tokens to be online to receive the LHR. LHR is paid-out to the eligible address(es) even if your wallet is offline.

There is no cost of any kind for any address(es) to register for the LHR.

You may also provide your email to the appropriate field (just under the address field). In that case, you will be receiving notifications for future services and also monthly LHR updates for your register address(es).

The new LEOcoin token provides its holders with a "Holder's Reward" very similar to the previous LEOcoin Rewarding mechanism reward.

Requirements:
Users that want to participate in "LEOcoin Holder's Reward" have to own a minimum amount of 1,000 (one thousand) LEOcoins on a specific LEOcoin token address. The Reward returns depend on the number of LEOcoin tokens you hold in that address (see the table of rewards). The system will be keeping daily snapshots of your total LEOcoin tokens in your address throughout the month. Your Reward will be calculated based on the average of all these snapshots. The "LEOcoin Holder's Reward" will be credited after the first five (5) working days of each month to your LEOcoin token address.

By participating in the new LEOcoin Holders Reward and providing your LEOcoin token address and email, you agree to the Terms & Conditions available in the top menu.

Amount of LEOcoin	Percentage (monthly)	Examples (monthly)	Percentage (yearly)	Examples (yearly)
0 -<1,000	0%	0	0%	0
1,000 -<5,000	0.7934%	1,000 → 1,007.974	10%	1,000 → 1,100
5,000 -<50,000	1.1719%	5,000 → 5,058.575	15%	5,000 → 5,750
50,000 +	1.5309%	50,000 → 50,765.45	20%	50,000 → 60,000

6. Table of Rewards and Requirements for LHR

Users that want to participate in "LEOcoin Holder's Reward" must own a minimum amount of 1,000 (one thousand) LEOcoins on a specific LEOcoin token address. The Reward returns depend on the number of LEOcoin tokens you hold in that address. The system will be keeping daily snapshots of your total LEOcoin tokens in your address throughout the month. Your Reward will be calculated based on the average of all these snapshots. The "LEOcoin Holder's Reward" will be credited after the first five (5) working days of each month to your LEOcoin token address.

Table of rewards

Amount of LEOcoin	Percentage (monthly)	Examples (monthly)	Percentage (yearly)	Examples (yearly)
0 - <1000	0%	0	0%	0
1000 - <5000	0,7974%	1000 → 1007,974	10%	1000 → 1100
5000 - <50.000	1,1715%	5000 → 5058,575	15%	5000 → 5750
50.000 or more	1,5309%	50.000 → 50.765,45	20%	50.000 → 60.000
