

LEOcoin Private Chat wallet FAQ V 1

Q. Purane Leocoin wallet k sath, mai 2 martaba din mai staking krta tha or rewards 1 ghante mai mosul hojate the. Naye wallet mai, staking ka option har 30 din mai hoga. Kia mujh apne naye wallet ki setting tabdeel krni hogi?

A. Apko kuch bhi tabdeel krne ki zarorat nai, staking ka andazan waqt dosro ki activity per mabni hoga. Agar kam log staking krhe honge you kam waqt mai apko stake award mosul hoga. Agar apke balance mai coin ki miqdar ziada hogi tou kam waqt mai apko stake award mosul hojayega.

Q. May 2016 mai POS ki ibtada hui jis mai yeh bataya gaya k apko apke coins k upar reward diye jynge. Agar apke pass 1,000 LEOcoins hue tou reward dus fisad (10%) milega har saal. 5,000 LEOcoins per pandra fisad (15%) or 50,000 or use upar per bees fisad (20%).

Jabke new wallet mai mera balance 5,000 se upar ha lekin ab tak stake nai hue hain. Kia waja ha?

A. Reward ka inhasar block chain ki sargarmi per hota ha jo k humesha andazan hota ha. Jaise hi new LEOcoin blockchain ki sargarmi barhegi, staking bhi barhegi or apki coins ziada ismai hisa lenge. Yeh bat durust hai k jitna ap ziada coins rkhnge uska utna ziada reward apko milega.

Q. Kiya mai stealth address mai rakhe hue balance ko stake krsakta ho?

A. Nai, stealth address k balance staking k liye istamal nai hosakta

Q. Kia wallet khud se stake hosakta ha ya mujh settings tabdeel krni paregi?

A. Jaise hi apka balance 1 ghante k liye 1000 LEO se upar jayega apke wallet mai, naya wallet khud se stake hojayega.

Q. Coins ko stake karne k liye kin baato ka hona lazmi ha?

A. Stake karne k liye:

- Network se rabta kayam karna hoga.
- Wallet ko humahang karna hoga
- Mature coins hone chaye (120 tasdeek - 1 ghante mai)
- Staking k liye apne wallet ko unlock kare (agar encrypted wallet hai tou)
- Apne coins awami accounts mai rakhe, zati account mai nai
- Staking k liye coin balance acha khasa hone chaye (1,000 se ziada)

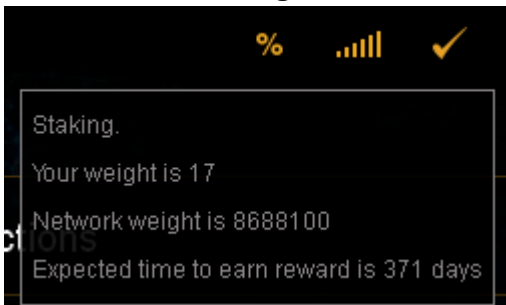

LEOcoin Private Chat wallet FAQ V 1

Q. “stake ka kam se kam doranya” ka matlab kia ha?

A. Iska matlab ha, kuch seconds ka waqt jab wallet ruk jayega dosre stake per jane se pehle. Lekin stake award k milne per tabdeela ka koi asar nai ayega.

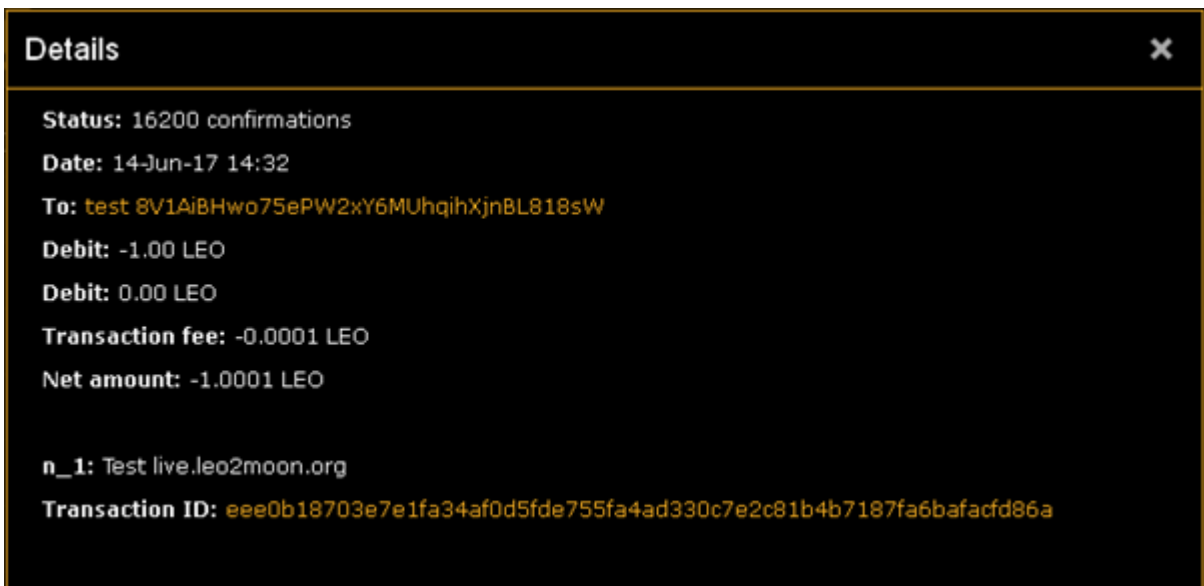

Q. Lafaz “mature” ka kia matlab ha coin k hawale se? jab mai screen k upar “%” ki taraf ishara krta ho tab yeh message nazar ata ha “staking krna momkin nai kunke apke pas mature coins nai ha.

A. Coins milne k 1 ghante baad mature hote ha.

Q, Mai apne wallet k mature coins kese dekh sakta ho?

A. Jab apke pas mature coins honge, % ka sign apko apna wazan or network ka wazan dekhayega. Apka wazan apke mature coins ki taraf ishara karega.

LEOcoin Private Chat wallet FAQ V 1

Q. Mai kese maloom kar sakta ho k coins ko mazeed maturing ki zarorat ha?

A. Transaction ki farhist mai ap apne transaction k mutaliq maloom kr sakte ha. Coins ko transaction mai mature hone k liy transaction ko 120 tasdeeq ki zarorat ha

Q. Leocoin ko mature krne k liye kia zarori ha?

A. Maturity ka talooq, tasdeek k number se hai. Inko mature krne k liye 120 tasdeek ki zarorat hoti ha (amoman 1 ghante mai)

Q. Mai kese ziada mature coins haseel krsakta ho?

A. Ap khareed kar ya mosul kar k inke mature hone ka intezar kr sakte ha.

Q. Jab mai LEOcoins buy karta ho tab kia mai mature LEOcoins buy kar sakta ho?

A. Nai, apko coins k mature hone ka 1 ghante tak intezar krna hoga

Q. Mai apna balance staking k liye banana chahta ho. LEOxChange kia mature LEOcoins sell krta ha?

A. Iske liye koi khususi kam ki zarorat nai, sare masul kiye hue coins 1 ghante mai mature hojate ha

Q. Stake karne se pehle kia mujh apne wallet ko unlock krna hoga?

A. Han, apko staking k liye sirf unlock krna hoga ya phr peghamat ko mehfooz rkhne k liye.

Q. Mai apne wallet ko mehfooz rkne k liye lock rkhta ho. Unlocked wallet mai se staking k khatrat hai?

A. Agar apka wallet bilkul unlock hai tou is baat ka andesha hai k koi malware, API commands apke wallet server per bhej kr apke coins kharch kar sakta ha. Agar ap issue unlock krte ha staking k liye ya mehfooz pegamat bhejne k liye tou apke coins koi kharch nai kar sakta.

Q. Maine apna wallet mehfooz rkhne k liye encrypt kia hai. Kia mai encrypted wallet se stake kar sakta ho?

A. Han, apko allow karne k liye muntakhib karna hoga. Har waqt apko wallet application start karna hoga apne wallet ko unlock krke staking k liye sirf.

Q. Un-encrypted wallet se staking krne k kia khatrat hai?

A. Staking se koi or khatrat nai, un-encrypted wallet se khatrat hosakte ha agar koi breach hua tou tamam coins chale jynge.

LEOcoin Private Chat wallet FAQ V 1

Q. Stealth address kia ha?

A. Stealth addresses blockchain main ziada razdari se kaam karte hain. Stealth addresses se digital transfer gumnam rehta hai kunke mosul karne wala payment transaction ko bhejne wale tak trace nai karsakta. Mosul karne wale k pas ek paka address hoga jaha bhejne wala funds ache se, zati tor per, kabil-e-atmad tareeke se bhej sakta ha. Bhejne wale ko stealth address per dosri payment ki maloomat nai milegi or third parties ko bhi kuch maloom nai hoga.

Q. Stealth address, normal address se kaise mukhtalif ha?

A. Normal address mai, koi bhi jo block chain ka tajzia kare who bhejne or mosul krne wale k bech ka talooq pata kar sakta ha or dono ki identity maloom kr sakta ha jab ibtadai or ikhtadami addresses apas mai talook rkhte ho. In maloomat mai public exchange, IP addresses, user names, postal address or degar maloomat shamil ha.

Stealth address k liye LEOcoin 2 cryptographic techniques ko istamal karta ha, jiise hum ring signature or non-interactive zero-knowledge proofs kehte ha. Yeh is baat ko mumkin banata ha k stealth address k users humesha namaloom rahe, agar stealth address ki public key sabke sath share bhi hojaye block chain k upar tou bhi koi fark na pare.

Q. Mujh stealth address istamal krne ki kia zarorat ha?

A. Agar kisi ko malyati raazdari jaise k zati shopping ya namaloon atya dete waqt rakhne hai tou woh stealth address ka istamal kar sakta ha. Jis bhi waqt apko apki raazdari barqarar rkhti ho tab ap stealth address ka istamal kar sakta ha.

Q. Mujh stealth address kab istamal nai karna hoga?

A. Jab transaction payments namaloom payments k liye amoman payment se kuch hadh tak ziada hogi. LEOcoin transaction kuch hadh tak zati hoti ha tou ap use kam fee k liye istamal mai la sakte ha. Mazid yeh k jaha apko apni shanakt batani ha waha stealth address ka istamal nai kare.

Q. Kiya transaction stealth addresses se stakeable balance mai add hote ha?

A. Apka stealth balance unstakeable hota ha

Q. Kiya transactions jo stealth addresses se arahi ha mere awami addresses per, woh mere stakeable balane mai add hoti ha?

A. Han, koi bhi awami balance stakeable hota ha.

LEOcoin Private Chat wallet FAQ V 1

Q. Stealth transaction ko bhejne ya mosul karne k liye kis cheez ki zarorat ha?

A. Koi bhi stealth transactions per send kar sakta ha, lekin kuch conditions hona zarori ha jab ap stealth se stealth ya stealth se public per send krke ha. Jo k yeh ha:

- Amount jo ap send krte ha uska mature hona lazmi ha
- Amount jo ap send karna chahte ha uska kam se kam or ziada se ziada ring signatures se milna zarori ha (3 kam se kam or 60 ziada se ziada)

Q. Who rules normal transaction k rules se kaise mukhtalif hai?

A. Normal transaction cryptography k liye mukhtalif rules istamal krta ha

Q. Zati/Awami account or normal/stealth address k bech mai kia fark ha?

A. Tamam zati or awami address wallet mai ek hi key se bante ha.

Q. Jab mai naya address banata ho, tab mai kese batao k yeh kis account ka hai?

A. Address ussi account se munsalik hoga jo ke apke wallet k liye pehle se hi tay shuda ha.

Q. Jab mai apna naya address banata ho, tab mai yeh kese bata sakta ho k yeh kis account ka hai?

A. Address apke ussi account ka hoga jo apke wallet mai set kiya hua hai.

Q. Kia mujh dosra account default banana ki zarorat ha?

A. Kunke ape ek hi wallet mai ziada accounts istamal kar sakte ha. Waise iski zarorat nai lekin ap kar sakte ha.

Q. Kia mai gher faal (deactivated) account mai adayegi (payment) mosul krsakta ho?

A. Adayegi (payment) addresses per mosul hoti hai na k accounts mai, is waja se apko adayegi mosul hoti rahegi.

Q. Zati account se send karte waqt, coin control ka iktiyar kyun nai ha?

A. Jis tarha se zati transactions hoti ha yeh kam mumkin nai ha.

Q. Send page per, make payment or balance transfer mai kia fark hai?

A. Make a payment who tariqa ha jo wallets mai istamal hota ha, jabke balance transfer asan tarika ha zati se awami or awami se zati addresses mai balance mutakil krne ka

LEOcoin Private Chat wallet FAQ V 1

Q. Jab mai apne zati account se send karta ho tou yeh error nazar ata ha “Not enough system and or owned outputs for the requested amount. Only 0 anonymous outputs exist for coin value: 5.00000000”. System output kese kehte ha?

A. Transaction k nateja ko hum output kehte ha jo kisi or ka input nah ho. System output mai woh numbers shamil hote ha jo system k pas us waqt mai hote ha.

Q. Namloom nateja kese kehte hai?

A. Yeh who natija ha jis ki hum maloomat hasil nai kar sakte

Q. Muktalif wallet master key banana ki kiya zarorat ha?

A. Agar ap nayi key banate ha or isse master key ki tarha use kr sakte ha naye accounts banana k liye.

Q. Kia LEOxChange main, mai apna account khulwa sakta ho or adayegi mai purine LEOcoins mai kro or coins tabdeel krwa lo?

A. Nai, lekin ap yeh coin upgrade krwa k kar sakte ho. Coin upgrade is per honge: <http://upgrade.leocoin.org>

Apne old wallet se coins LEOxChange k naye wallet k address per send kare Jaha se ap coins bhejenge uska address L se shuru hoga or jaha bheje jaynge uska address 8 se shuru hoga. 12 tasdeek (jo k 12 minute per mabni ha) k baad apke purine coin naye coin mai tabdeel hojynge

Yeh kaam 21 July 2017 se pehle hojana chaye.

Q. Kia isse fark parta ha k hum 3 wallet keys rakhe, 1 account har ek mai ya 1 wallet key or 3 accounts?

A. Agar ap 1 wallet or 3 accounts use karte hai tou apko 1 key ko mehfooz rkhna parega jabke dosre case mai apko 3 keys ko mehfooz rkhna parega

Q. Kia mai apne wallet tak 1 se ziada computers se rasai hasil kr sakta ho?

A. Han kar sakte hai

Q. Mai apne wallet tak 1 se ziada computer se rasai kese hasil kr sakta ho?

A. Dosre computer per copy ya bahal karke.

Q. Kiya mai apne wallet ko MAC, Win or Linux se ek hi time per dekh sakta ho?

A. Han, ap rasai kar sakte ha

Q. Kia mai apne wallet tak Apple iOS ya Android se rasai kr sakta ho?

A. Fihal nai

LEOcoin Private Chat wallet FAQ V 1

Q. Maine apna 24 lafz ka passphrase kho diya hai. Kia mai abhi bhi apna wallet istamal kar sakta ho?

A. Han, lekin ap isse dosre computer tak nai leja sakte or ap isse dobara hasil bhi nai kar sakte kunte apne recovery phrase kho dia ha. Wallet.dat file sirf ek hi tariqa ha apne coins tak rasai hasil karne ka

Q. Miane apna recovery passphrase kho dia ha. Ab mai kia karo?

A. Forun se wallet.dat file ko mehfooz kare.

Q. Mujh apne wallet ko encrypt kun karna chaye?

A. Agar koi apke computer tak rasai hasil karle ya phr kisi malware k zarye wallet.dat file ki copy banale, tou bhi who coins ko istamal nai kr sakta jab tak uske pas encryption password na ho.

Q. Agar mai password bhool jao tou kia hoga?

A. Ap apna wallet unlock nai kar sakte. Ap apne coins stake nai kar sakte, ap apne coins kharch nai kar sakte, ap apna balance dosre wallet mai muntakil nai kr sakte, ap mehfoz messages bhej nai sakte ya mosul nai kr sakte.

Encryption achi cheez nai agar ap apna password bhool jaye

Q. Kia hoga agar mai recovery phrase bhool jao?

A. Agar ap recovery phrase bhool jaye or apke pas wallet.dat ka backup nai ho tou ap apne tamam coins tak rasai kho denge agar computer/disk chori hojaye ya kharab hojaye.

Q. Agar kisi k pass mere recovery phrase ki copy ho tou kia hosakta ha?

A. 24 Word recovery phrase se koi bhi balance apka dekh sakta ha, coins kharch kar sakta hai, mehfooz messages bhej sakta hai jese apne bheje ho.

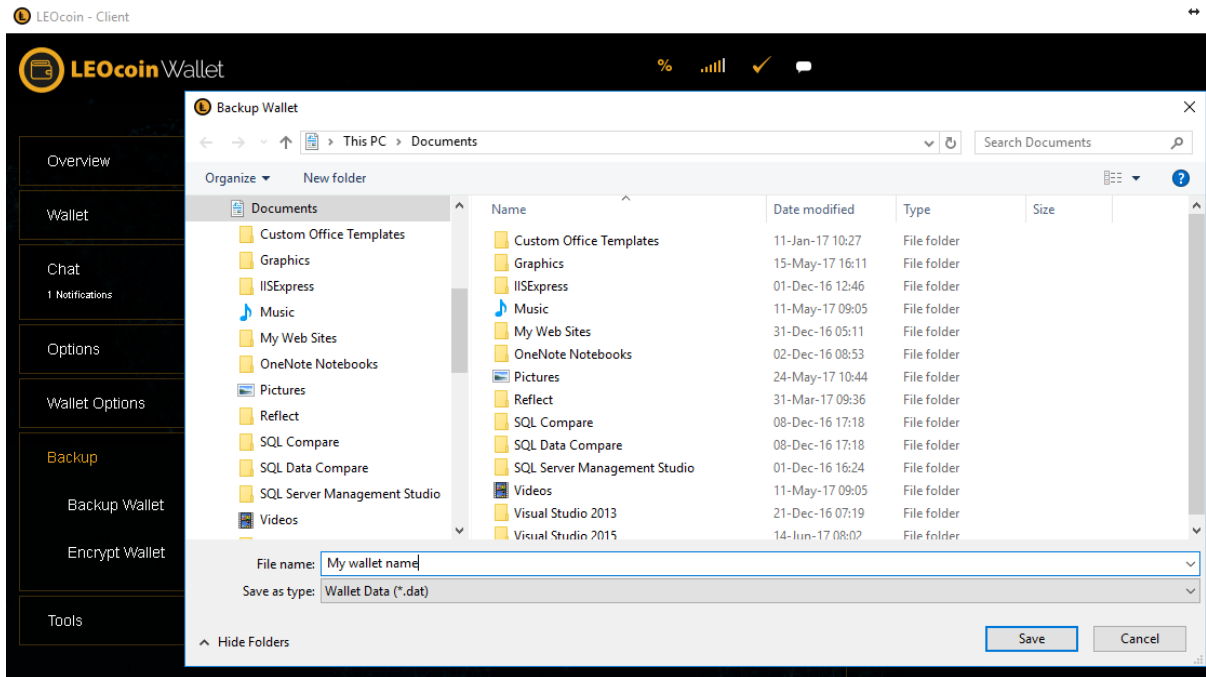

Isliye zarori hai k ap yeh 24 w*ord phrase bht hi mehfooz rkhe.

LEOcoin Private Chat wallet FAQ V 1

Q. Mai new wallet ka backup kese rakh sakta ho?

A. Menu option mai jakar wallet.dat ko backup kare. Neche di gai screen ayegi jis mai ap apne back up ka naam likh sakte ha or usko rakhne ka intekhab kar sakte ha. Yeh tajweez ki jati ha k is copy ko apne main computer se alag rakhe

Q. Kia backup karne se pehle mujh password ya recovery phrase kia zarorat hogi?

A. Yeh tajweez kia jata hai k ap apne wallet ko backup krne se pehle encrypt karle.

Q. Mai LEOcoin.conf file mai kia tareeke laga sakta ho?

A. Ap tamam diye gaye tareeke debug window->command-line options mai dekh sakte hai.

Q. Kia mai LEOcoin-d or LEOcoin3 ek hi waqt mai chala sakta ho?

A. Han ap chala sakte ha.

Q. Mai kis tarha apne naye wallet ko lock or unlock kar sakta ho?

A. Pele rang k band tale ko press kare tou unlock hoga
Safad ya pele rang k khule hue tale ko press kare tou lock hoga

Q. Muntakil hone or na-muntakil hone wale database mai fark kia ha?

A. Muntakil ka matlab hai ap computers k bech mai tabadla kar sakte ha

LEOcoin Private Chat wallet FAQ V 1

Q. Mujh muntakil hone wale data base ki kia zarorat hai or mai isse kese istamal kro?

A. Agar ap computer ki jankari rkhte ha or mukhtalif computer istamal krte ha or yeh chahte hai k har bar mukhtalif computer per blocks verify nah ho tou muntakil hone wala data base apke kam ka hai.

Q. Mujh mukamal thin block index ki zarorat kun nai?

A. Agar apke pass na-kafi disk space hai.

Q. Thin index window ko tabdeel krne k kia asrat ha?

A. Apke pas kam ya ziada blocks honge.

Q. Chain data kia hota ha?

A. stealth system data k mutaliq malumat.

Q. Mujh chain data ka khayal rkhone ki kia zarorat ha?

A. Kunke yeh nazar rkhega k kia apse or system se munsalik ha or kitni rings mumkin ha.

Q. BIP 44 kun pehle se tay shuda ha or yeh kia hai?

A. BIP 44 HD wallets ka naya tareeka ha or yeh 1 se ziada accounts ko 1 key mai rkhone ki ijazat deta ha.

Q. Agar mere khud k amounts hai tou kia yeh na-maloom honge?

A. Han, apke khud k amounts

Q. Owned amount or system amount k bech mai kia fark hai?

A. Owned amounts apke apne hote hai jabke system amounts who hote ha jo system mai mojud hote ha.

Q. Maine apne purane wallet ko kaf time se humahang nai kia, agar mai krleta tou mujh is per reward mil jate. Ab jab mai naye wallet per jaona tou kia mujh purine wallet ka reward milega jo nai mila?

A. Naye wallet mai naya staking ka nizam istamal hota ha. Apko purine wallet k stakes naye wallet mai nai milnge. Ap jald se jald apne purine wallet ko humahang kare or ek bar stake zaror karwae. Magar sath sath is bat ka bhi khayal rakhe k apne purine coins ko jitni jaldi hosakte upgrade kare. Isse woh naye wallet mai mature hone lagnge.

Koi bhi stake reward purine wallet mai agar calculate nai hua ha tou woh apko nai milega.

Isse hum tajweez krte hai k ap apne purine wallet ko forun se humahag kare

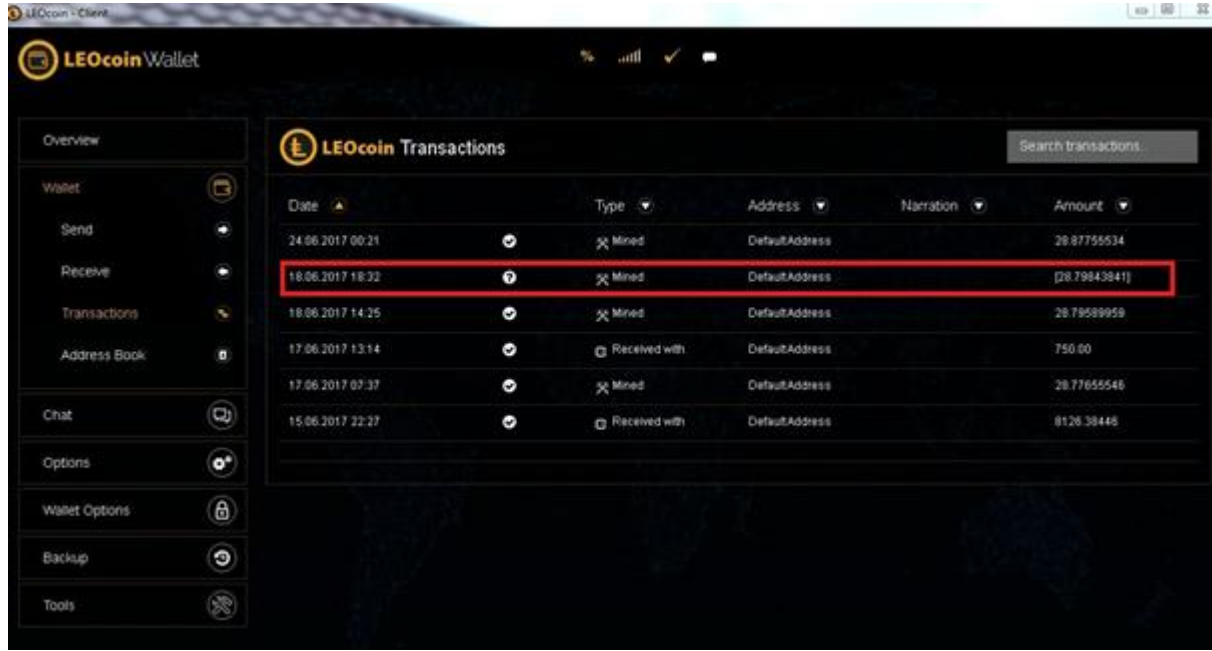

LEOcoin Private Chat wallet FAQ V 1

Q. Kis tareeqakar per Chain Data dekhai deta hai, outputs ko alag kare?

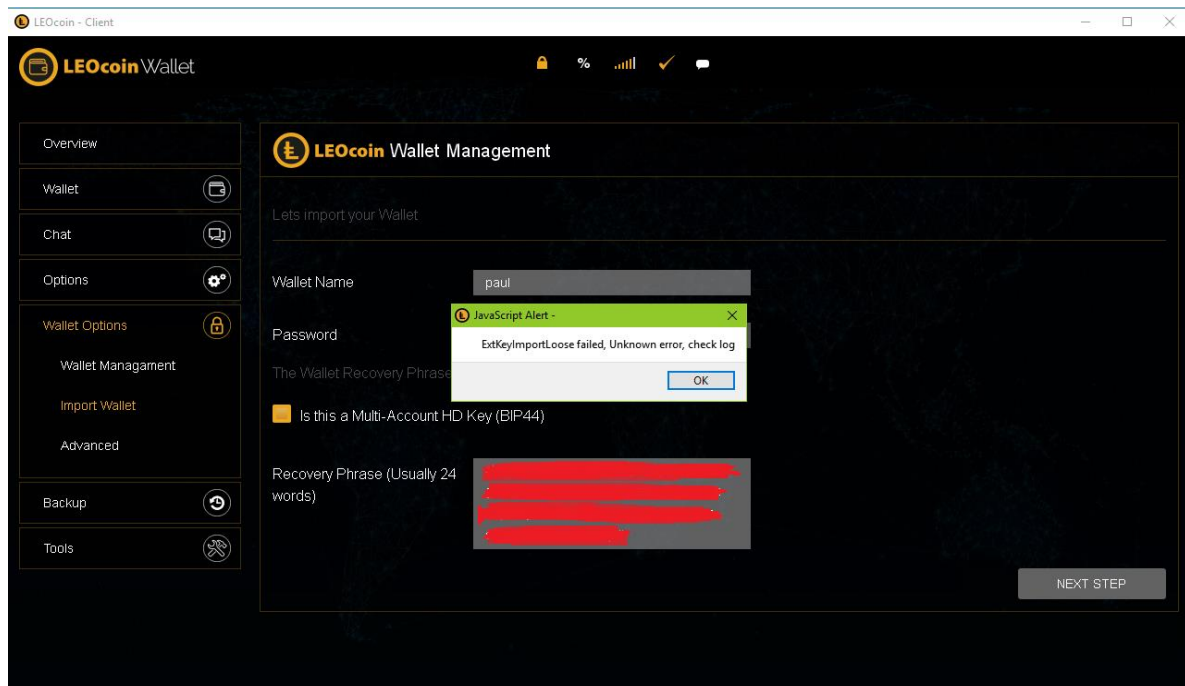

A. Kuch mojuda tareekakar: amount depth....

Q. Mere transactions ki farhist mai , “?” laga hua hai. Iska kia matlab hai?

A. Stake banaya gaya hai but manzoor nai hua.

Q. Mai BIP44 wallet ko daramad krne ki koshish kraha ho or mere pas yeh error arha ha?

A. Wallet ya address ko daramad karne k liye apka wallet unlock hona zarori ha.
